## News Gathered from Southside

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street.

Great interest is being shown in the meeting of the Bryan-Kern-Lamb Club, which will be held to-morrow night. Local politicians are in hope that some move will be made whereby interest will be stirred up and the voters made to take a more lively part in the coming election than has so far been shown. Up to the present time the campaign in Manchester has been exceedingly dull and uninteresting.

The city has not been favored with a single public speaking or meeting so far, and many are wondering what has become of the City Central Democratic Committee. A subcommittee of three of the city council was appointed to work in conjunction with the Bryan-Kern-Lamb Club towards having a big Democratic rally here during the closing week of the campaign. Many of them will probably report to-morrow night, and the result of their efforts are awaited with much interest.
